

AGILE TECHNOLOGIES GROUP COOKIES POLICY

Use of Cookies on our Site.

First of all, we do not sell your personal data. Cookies are small pieces of information sent by a web server to a web browser which allows the server to uniquely identify the browser on each page.

By using our sites you agree to the use of cookies. You can manage your cookie preferences by emailing [cookies@Agile Technologies](mailto:cookies@AgileTechnologies). You can opt out of each cookie category as defined below, except strictly necessary cookies. Cookies will be managed on a brand-by-brand basis at the site level. This means if you manage your cookie preferences for one Agile Technologies brand, you will need to manage your preferences separately when you visit a different Agile Technologies brand's site. You can also manage your cookies at an internet browser level, and there is more information about that below.

We use the following categories of cookies on our Site:

Category 1: Strictly Necessary Cookies. These cookies are essential in order to enable you to move around the Site and use its features. Without these cookies, services you have asked for such as remembering your login details or shopping basket items cannot be provided.

Category 2: Performance Cookies. These cookies collect anonymous information on how people use our Site. For example, we use Google Analytics cookies to help us understand how customers arrive at our Site, browse or use our site and highlight areas where we can improve areas such as navigation, customer experience and marketing campaigns.

Category 3: Functionality Cookies. These cookies remember choices you make such as the country you visit our website from, language and search parameters such as size, color or product line. These can then be used to provide you with an experience more appropriate to your selections and to make the visits more tailored and pleasant. The information these cookies collect may be anonymized and they cannot track your browsing activity on other websites.

Category 4: Social Media Cookies. These cookies allow you to share what you've been doing on the Site on social media such as Facebook and Twitter. These cookies are not within our control. Please refer to the respective privacy policies for how their cookies work.

You can change your cookie settings with each of various internet browsers. If you want to delete any cookies that are already on your computer, please refer to the help and support area on your internet browser for instructions on how to locate the file or directory that stores cookies.
